

CMM 2019 Swim Team

CMM is ready to kick off another great swim season. We are excited to announce that CMM will compete again in the Middle School Swim League being hosted by the City of Shreveport Swim Team (COSST) and Bulldog Aquatic Club in Ruston. This league will include swimmers from Caddo and Bossier Parish public, private schools as well as schools in the Ruston area. COSST will host the meets at Centenary College on March 7th , and March 21st (4:00) and BAC will host meets in Ruston on March 14th , April 4th and a Championship meet on April 11th (5:00)

If you are receiving this letter, your child has expressed an interest in this activity. CMM will only be organizing this activity at the school level. We will not be practicing as a group due to the liability and lack of pool space in Shreveport. Therefore, if your child is currently swimming or has swum competitively in the past, the CMM Stallions need you! You do not have to be in a swim program to compete for CMM if you have been a competitive swimmer in the past.

*Coach Oathout and Coach Glass will have to verify that you are currently training or have been in competitive swimming in the past (such as a summer league program) to be able to participate.

CMM 2019 Swim Team

*There is a \$35.00 team fee. This will cover the cost of all meet entry fees as well as a team swim cap.

*The team members should wear a navy suit. (It is not mandatory, but if you need a suit this is the one worn by past teams.)

Boys Suit:

Waterpro Polyester Striped Jammer Navy/Gold (price varies with size)
